

## Rich Uhrich Rare U.S. Coins Inc. News & Newps

September 13, 2009

### Greetings!

### Whitman's Philly Show is Next

I don't think there has been a major coin show in Philadelphia, PA since the 2000 ANA Convention. The upcoming show September 24 - 26 at the Pennsylvania Convention Center, 1101 Arch Street is Whitman's first show in Philly and I expect that David Crenshaw and his people will apply the same winning formula they've used to great success in Baltimore and other venues. Whitman runs a show that is both customer-friendly and dealer-friendly. One example of this is that the Philly show ends on Saturday, thereby allowing dealers to eliminate an additional day of hotel and meal expenses on a day that is rarely profitable.

We have a great table at the Philly show (#545) which is right in the middle of everything. Just look for the colors matching this newsletter and you can't miss us.

We have recently acquired nearly 100 new coins, which are listed at right. Some of them are real rarities!

Thank you again for your business!
